

Hon. Judge Martin Glenn
US Bankruptcy Court
Southern District of New York
One Bowling Green
New York 10004-1408

Hello sir

I am a Celsius creditor with a large claim in the bankruptcy judgement. I have been put in the "convenience class" although I did not check that box and I am being offered a small fraction about 20% of what I am owed. Stretto and their representatives are not responding to my emails requesting to see my ballot. I am asking for the courts help for myself in my situation. I would like to kindly ask that the court demand Kirkland and Ellis make these ballots available to us. Please compel the team to reach out to us and provide proof there was no human error or if this is malicious miss management.

Respectfully,

A handwritten signature in blue ink that appears to read "Sourabh Dhawan".
